### Call for videos

GUNi is giving to the students an opportunity to bring their ideas to the higher education community by making a 2-3 minute video interpreting the statement:

#### *The world we imagine*

What world would you like to live in?  
Share with us your ideal future!

### Call for Good Practices

*Sharing experiences to improve practice.*  
We want to know your experiences. Come to share them with us.

### GUNi Report

The contents of the 5th GUNi Report: “*Higher Education in the World 5. Knowledge, Engagement and HE: Rethinking Social Responsibility*”, will be discussed at the Conference.

*Registration fee includes a free copy of the Report that you will receive when published.*

*(\* show enthusiasm about and actively encourage the co-creation of transformative knowledge)*

The **6th International Barcelona Conference on Higher Education** is focused on knowledge, engagement and higher education. In exploring this contemporary issue, the Conference will attempt to describe ways in which engagement enhances teaching, learning and research and will propose to go beyond the third mission by offering new visions and ways for the future.
